106.01 COLLECTION SERVICE. The collection of solid waste and recycling within the City shall be private contract with collectors.

106.02 COLLECTION VEHICLES. Vehicles or containers used for the collection and transportation of garbage and recycling and similar putrescible waste or solid waste containing such materials shall be leakproof, durable and of easily cleanable construction. They shall be cleaned to prevent nuisances, pollution or insect breeding and shall be maintained in good repair.

(IAC, 567-104.9[455B])

106.03 LOADING. Vehicles or containers used for the collection and transportation of any solid waste and recycling shall be loaded and moved in such a manner that the contents will not fall, leak, or spill therefrom, and shall be covered to prevent blowing or loss of material. Where spillage does occur, the material shall be picked up immediately by the collector or transporter and returned to the vehicle or container and the area properly cleaned.

106.04 FREQUENCY OF COLLECTION. All solid waste and recycling shall be collected from residential premises at least once each week and from commercial, industrial and institutional premises as frequently as may be necessary.

106.05 BULKY RUBBISH. Bulky rubbish which is too large or heavy to be collected in the normal manner of other solid waste may be collected by the collector upon request. For the pickup of white goods, customers must purchase a tag from the City at a cost of \$15.00.

106.06 RIGHT OF ENTRY. Solid waste and recycling collectors are hereby authorized to enter upon private property for the purpose of collecting solid waste and recycling therefrom as required by this chapter; however, solid waste and recycling collectors shall not enter dwelling units or other residential buildings.

106.07 MANDATORY COLLECTION. The collection of residential solid waste and recycling in the City is mandatory.

106.08 LANDFILL SPECIFICATIONS. All collected solid waste and recycling materials must meet the specifications and guidelines as established by the Dickinson County Landfill.
