PUBLIC HEARING

Public hearing on Proposed Property Tax Rate at 6:00 p.m.
Mayor Anderson opened the public meeting at 6:01 p.m. Deputy City Clerk Ballis mentioned no written or oral comments were received at the City Clerk's office. Mr. Chuck Peter was present and started with thanking the council for their hard work and for helping shape the great community of Milford. He wanted to share his opinion on the tax levy that was sent out to the public and didn't understand why the levy was so high. Mayor Anderson explained the letter that was sent out was confusing for everyone, thanks to the new state mandates, as that information was the cities max tax levy and that it was not accurate. Mayor Anderson stated the actual levy will be lower than even the current levy. The council worked very hard in getting the levy down to 12.57%. Councilmember Hoffman added the council is determined not to raise taxes and is determined to continue to push them down. This will be a gradual process over the coming years. Hoffman stated the council was proud they were able to lower the taxes for the new fiscal year, considering how the state is tying the cities and counties hands with the new HF718 requirements. With no further comments from the public, Mayor Anderson closed the public hearing at 6:16 p.m.

With no other discussion, motion to adjourn by Worshek second by Frederick at 6:17 p.m. All voting aye. Motion carried.

Respectfully submitted,
